ABOUT DOUGLAS EDUCATION CENTER

Established in 1904, Douglas Education Center (DEC) is a premiere career institution located in Monessen, PA. DEC creates an educational atmosphere that not only fosters the highest standards of excellence in all students, but also helps these students develop an awareness of social responsibility and ethical behavior. DEC offers programs in special make-up effects, digital film, illustration, fantasy art, graphic design and web, cosmetology, medical and business. Most DEC instructors are industry professionals who have actual working knowledge and experience in the program in which they teach.

ABOUT THE FACTORY DIGITAL FILMMAKING PROGRAM AT DOUGLAS

The Factory Digital Filmmaking Program at Douglas Education Center is a sixteen-month program that prepares students with the skills to become filmmakers, producers, editors, gaffers, grips and directors. Students receive hands-on experience with props, wardrobe and sets. This program also prepares students in a variety of other facets of filmmaking including marketing and distribution of finished products.
