

Plans for Improving Academic Programs 2018

Douglas Education Center (DEC) is currently working on implementing or considering the following items in order to improve its academic programs:

1. Incorporate additional training or seminars on advanced topics of Z-brush and Digital Sculpting into Tom Savini's Special Make-Up Effects Program
2. In George A. Romero's Filmmaking Program, continue to expose students to real-world scenarios each semester by having students visit a film set, speak to crew members, and network with other professionals.
3. Incorporate additional information in the Allied Health Programs regarding health coaching, emphasizing the patient's experience.
4. Explore additional product lines for use in the Cosmetology programs.
5. Investigate the addition of e-logs into the Commercial Driver's License Program, in order to progress with impending regulations.
