All students are offered a comprehensive books and supplies package as part of the program. These materials are provided for student convenience and are priced separately from tuition. Students have the option to decline all or part of the supplies package and will not be charged for any items they do not accept. Students who choose to receive the supplies will have those items issued to them and recorded in their student account.

GRADUATION FEE

A one-time fee assessed during the final semester or instructional period to defray the cost of the graduation ceremony. This includes the cost for caps and gowns.

EXAM/CERTIFICATIONS

In all programs and courses except for the Commercial Driver's License course, a student taking an industry or licensing exam or certification more than one time, for any reason, is responsible for any additional costs.
